NEW PUBLICATIONS

PRINTED FOR

T. N. LONGMAN, No. 39, *Paternoſter-Row.*

1. GLEANINGS THROUGH WALES, HOLLAND, and WESTPHALIA; with Views of Peace and War at Home and Abroad. To which is added, HUMANITY; or, The Rights of Nature: A Poem. Reviſed and corrected. By Mr. PRATT. In three Volumes, 8vo. Price One Guinea in Boards. Second Edition.

"We have found ſo many lively and pleaſant exhibitions of manners, ſo many amuſing and intereſting anecdotes, and ſo many obſervations and reflections, gay and grave, ſportive and ſentimental, (all expreſſed in a gay and familiar ſtyle,) better ſuited to the purpoſe than ſentences laboured with artificial exactneſs, that we cannot but recommend it to our readers as a highly amuſing and intereſting performance." *Analytical Review, Jan.* 1796.

"The ſprightly and inventive writer, who has already contributed to the amuſement of the public by various literary performances, here offers to it a very miſcellaneous entertainment, conſiſting of articles gleaned from travelling obſervations, or ſupplied by his fancy." *Monthly Review, Feb.* 1796.

"The general idea given of Wales in this Tour is very paſtoral. From Wales the author proceeds to Holland, Guelderland, and Weſtphalia; where there are gleanings for the heart, and gleanings for the imagination. Mr. Pratt has an eaſy converſation ſtyle, touches in the manner of Sterne, and writes with ſprightlineſs and good humour. The third volume cloſes with the author's elegant Poem, entitled HUMANITY."

Critical Review, March, 1796.

"Our author exhibits an example of a ſpecies of travellers different from all of thoſe enumerated by Sterne; and the object and views of his ſtyle of travelling we cannot but highly approve; and, while he purſues this judicious mode of travelling, varies his journey with ſentiment, obſervation, and adventure." *Engliſh Review, Jan.* 1796.

2. FAMILY SECRETS, Literary and Domeſtic. By Mr. PRATT.

"Concerning thoſe things wherein men's lives and perſons are moſt "converſant." BACON.

In five large volumes, 12mo. Price 1l. 5s. Boards.

"In the volumes before us, there are ſeveral beautiful and affecting ſtrokes of nature." *Analytical Review, April*, 1797.

3. A GOSSIP's STORY and LEGENDARY TALE. By Mrs. WEST, Author of Advantages of Education, &c. In two Volumes, 12mo. Price 7s. in Boards.

"We can recommend this ſtory as uniting to a great degree of intereſt the rarer qualities of good ſenſe, and an accurate knowledge of mankind. The gram-

grammatical errors and vulgarisms which disgrace many even of our most celebrated novels, have here no place; and several of the shorter poetical pieces interspersed through the work, have very considerable merit. Amusement is combined with utility, and fiction is inlisted in the cause of virtue and practical philosophy." *Monthly Review, January*, 1797.

4. LOVE's PILGRIMAGE, a Story founded on Facts; compiled from the Journal of a deceased Friend.

"A true devoted pilgrim is not weary
"To measure kingdoms with his feeble steps;
"Much less shall he who hath Love's wings to fly,
"And when the flight is made to one so dear." SHAKESPEARE.

In three Volumes, 12mo. Price 9s. boards.

"A most interesting and well-told Story. The language polished and easy; the morality pure and clear. We could expatiate on its merits; we could select many striking parts; but we trust a strong commendation will be as useful as a prolix one." *British Critic, August*, 1796.

5. CAROLINE DE MONTMORENCI, a Tale. In one Volume, 12mo. Price 3s. sewed.

"A pathetic Tale, told in elegant language.—As a whole, it is far superior to most publications of the kind." *British Critic, May*, 1795.

6. A JOURNEY OVER LAND to INDIA, partly by a Route never gone before by any European. By DONALD CAMPBELL, of Barbreck, Esq; who formerly commanded a Regiment of Cavalry in the Service of his Highness the Nabob of the Carnatic. In a Series of Letters to his Son. Comprehending his Shipwreck and Imprisonment by Hyder Alli, and his subsequent Negociations and Transactions in the East. Handsomely printed on fine wove paper, 4to. Price One Guinea in Boards.

"A Work like this has, in one respect, an advantage over those Books of Voyages and Travels which are written on the spur of the occasion; for it abounds with matured reflections, and contains the travels of the writer's mind, together with his bodily peregrinations. We cannot take leave without expressing our admiration of the spirit and perseverance displayed by Mr. Campbell, in surmounting the difficulties and dreadful hardships, which he has described with so much feeling and ability." *Monthly Review, Oct.* 1795.

7. A RESIDENCE in FRANCE, during the Years 1792, 3, 4, and 5; described in a Series of Letters from an English Lady; with general and incidental Remarks on the French Character and Manners. Two Volumes, 8vo. The Second Edition. Price 14s. Boards.

"It is only justice to say, that the style is as polished as the matter is interesting and important; nor have we any doubt that the book will remain a permanent monument of the taste and talents of the writer."
British Critic, April, 1797.

8. A LETTER to the Honourable THOMAS ERSKINE containing ſome STRICTURES on his "VIEW of the "CAUSES and CONSEQUENCES of the preſent WAR "with FRANCE." By JOHN GIFFORD, Eſq. The Ninth Edition. Price 3s.

"Seeing alſo, as every reader muſt here ſee, facts oppoſed to declamation, and proofs to bare aſſertion, we cannot conceive ourſelves biaſſed by any kind of prejudice, when we pronounce that this publication contains a complete and ſolid anſwer to Mr. Erſkine." *Britiſh Critic, April*, 1797.

9. A DEFENCE of the FRENCH EMIGRANTS. Addreſſed to the People of France. By TROPHIME GERALD DE LALLY-TOLENDAL. Tranſlated from the French, by JOHN GIFFORD, Eſq. In one Volume, 8vo. Price 7s. Boards.

10. A LETTER to a MINISTER of STATE on the CONNECTION between the POLITICAL SYSTEM of the FRENCH REPUBLIC, and the PRINCIPLES of the FRENCH REVOLUTION: containing an Expoſition of the Reſolutions and Projects of the French Government, on the important Subject of PEACE. By MALLET DU PAN. Tranſlated from the French. Price 1s.

11. An HISTORY, or ANECDOTES of the REVOLUTION in RUSSIA, in the Years 1762. Tranſlated from the French of M. DE RULHIERE. With an elegant Head of the late EMPRESS. Price 4s. ſewed.——This work was written by the Author ſhortly after the tranſactions which he relates, of which he was an eye witneſs. Great efforts were made by CATHARINE, at the COURT of FRANCE, to ſuppreſs the publication. BRIBES and MENACES were made uſe of, but ſhe could ſucceed no further than to obtain a promiſe that it ſhould not appear in her life-time.—The EMPRESS being now dead, it is juſt publiſhed in FRANCE, by the Heir of M. DE RULHIERE.

12. THESAURUS ECCLESIASTICUS: an improved Edition of Liber Valorum; containing an Account of the Valuation of all the Livings in England and Wales, their Charge in the King's Book, reſpective Patrons, &c. with an Appendix, by the Rev. JOHN LLOYD, A. B. late of Jeſus College, Oxon. In one large Volume, 8vo. Price 5s. in Boards.

"This work may be conſidered as a new Edition of Eton's Theſaurus, in a conciſe and improved form. Mr. Lloyd has compriſed every neceſſary article of information in as ſhort a compaſs as poſſible It appears to be, what the author intended it ſhould be, viz. an uſeful Clergyman's Book."

Monthly Review, May, 1789.
